FIFTEEN CENTS

IF YOU'VE BEEN IN DOWNTOWN ANTIOCH lately you've probably noticed the squares that have been cut into the sidewalk. Those are the spots where trees will be planted by the Chamber of Commerce and the village. Getting the

hole-cutting project underway were (from left) Mike Warren, Walt Delaney, Bill Patterson, Scotty Lowe, Mayor Robert Wilton and Tom Lagios.

## 2 Men Rob Antioch Supermarket

Two men, one carrying a shotgun, staged an armed robbery last Friday night at the Jewel Tea Co. store on Lake Street in downtown Antioch.

The men escaped with between \$800 and \$1,000.

Antioch police said they received a call at 9:25 p.m. that the store had just been robbed. Antioch squads and an Illinois State Police car that happened to be in the area arrived at the store at 9:27.

The cashier gave police a description of the two men but no description of a getaway car was available. According to witnesses, the men left the store, walked west and disappeared in the area of the State Bank parking lot.

The unmasked men directed two store employees at the service desk to put money in a bag. While one held a shotgun, the other shoved a note across the desk which read, "Don't say a word. Empty money into a paper bag as quick as possible and no one will get hurt."

Although about five clerks were on duty and customers were in the store, none were aware that a robbery was

# Airlines Take Beating From U.S. Government

By SENATOR BARRY GOLDWATER

One of the things we can do to help out in the growing U.S. airlines crisis is for Uncle Sam to stop playing "patsy" to the world.

There is no reason why Pan American World Airways should have to pay the Australian government \$4,200 for the right to land a Boeing 747 at Sydney Airport while Australia's Qantas Airways is required to pay only \$271 to land a 747 in San Francisco.

One of the problems which has forced Pan Am to ask for financial help from the U.S. government is the plain fact that inter-U.S. international airlines must compete as free enterprises against other airlines controlled and financed by governments. Now they have to do it in a market where both prices and costs are a question of government regulations.

The story of how U.S. airlines are discriminated against was laid out in stark facts published by the Airline Pilot Magazine for August.

In addition to the Australian situation, Airline Pilot says that in Rome Trans World Airlines is billed \$600 for every 747 landing (plus a 50 percent surcharge if the landing is at night). The Italian national carrier Alitalia pays nothing for the same privilege.

AIRLINE PILOT goes on to say:

"When U.S. airlines want to add airplanes to their fleets, they borrow money from commercial banks at interest rates currently in the 11 to 12 percent neighborhood. When a foreign airline wants to buy a U.S.-built

airplane, it finances the purchase at 7 percent through the Export-Import Bank. As a result, the U.S. airline pays about \$7 million more for the wide-body jet than does the foreign line that competes with it on its route."

Actually, foreign airlines have virtually unrestricted access to the U.S. passenger market, while U.S. carriers are hampered at every turn in their efforts to do business abroad.

IT IS FINE for some Administration spokesmen to talk about U.S. airlines providing better service, but the fact remains that U.S. carriers (Pan Am, TWA, Braniff, Northwest Orient) which are engaged in major international service are taking a bad beating which our government has failed to recognize for years.

The discriminations that disturb U.S. - Please turn to Page 24

## PUBLICITY DEADLINE IS MONDAY NOON

Because so many clubs and organizations are submitting publicity releases on Monday afternoons and Tuesday mornings, the Antioch News is having trouble squeezing all of the information into the newspaper. So once again we must strictly enforce our deadline of Monday noon for publicity releases. And, for best results, it would help if you got them to us on the previous Friday. # CLC Dedicates New Facilities

The College of Lake County will hold formal dedication ceremonies of its Phase I permanent facilities on Sunday at 2 p.m. on the Grayslake campus. The public is invited.

A dedicatory message from Gov. Dan Walker will highlight the program. An open house and social hour will follow the ceremonies. Guided tours and leisure walk-throughs are planned for those who wish to view the new facilities.

The present campus represents one-third of the total master plan envisioned by OLC's board of trustees. The new building includes classrooms, large lecture halls, administration and faculty offices, science laboratories, art and drafting areas, and a basement recreation area.

Lake County voters approved a referendum creating the CLC district in 1967. The main portion of the campus, 181 acres, was donated by Chicago developers A. Harold Anderson and Paul W. Brandel in 1968.

The interim campus was built quickly at a cost of \$1 million in mid-1969, with classes opening in September. Three months later district voters approved a \$6.2 million bond issue for the first two building phases.

County funds made up one-fourth of the \$7.9 million cost of the just-completed facilities, with state and federal funds covering the remainder.

When the doors opened in 1969, 2,588 registered. Since then, yearly enrollment has been rising rapidly. The current fall semester total enrollment is 6,438 students—nearly 16 percent more than the 1973 fall semester

when 5,564 registered.

Among CLC's offerings are programs for students who

eventually transfer to four-year colleges, career programs for a particular occupation, general

studies for personal improvement, continuing education and community service programs

for specific personal or professional needs, developmental services for individual instruction, and general education development leading to a high school equivalency certificate.

Some people believe that if it thunders on Sunday, goose eggs won't hatch.

## Library News

The Antioch Township library has two displays set up by the two 4-H groups which are very nice and worth stopping in to see.

We have a calendar on our bulletin board for community events and activities, so if you will contact us and let us know what's coming up we will be glad to put it down.

Mark your calendars for the following: The "Matinee" movie on Nov. 5 "Brian's Song." Also mark down the "Wanderlust" travel films Oct. 24 at 7:15, which is "Magnificence in Trust" and "Praise the

Sea." We have brochures for both "Matinee" and "Wanderlust" so do stop in and pick one up so you will know when and what movies are being shown.

Every Saturday at 10:30 we have children's movies. Oct. 19 "Violin and Zaa" and "The Little White Camel," Oct. 26 "Stuart Little." They run 45 minutes. Bring your children in for them.

On Wednesdays we have a pre-school children's story hour from 12:30 to 1 p.m. which has been very well attended.

## Letters to the Editor

### Leaf Burning Called Giant Step Backwards

Dear Editor:

We would like to take this opportunity to congratulate our mayor and Village Board for taking one big, giant step BACKWARDS in the fight against air pollution. We are referring to the recent 3-2 vote to again allow leaf burning. Trustees Bill Seemann and Marge Nelson cast the only dissenting votes.

In this day and age when it has become necessary to broadcast warnings and encourage people to remain indoors when there are excessive harmful pollutants in the air, it is unbelievable that our Village Board could be so naive and irresponsible as to vote to add even more pollutants to the air we breathe.

The Mayor defended leaf burning by saying that he sees "no pollution problem in Antioch." But pollution is not limited to the big cities. It is everywhere—including Antioch. A pilot present at the Village Board meeting testified that there is a haze in the air that extends for a radius of 150 miles from Chicago. This would include Antioch.

The Village Board members defended their vote by commenting on the high cost of purchasing plastic garbage bags. What about the cost for medication and the "cost" of physical discomfort for those people in Antioch who suffer from emphysema, asthma, bronchitis and other respiratory diseases that are aggravated by air pollution?

We realize and understand that the disposal of leaves presents some big problems. Burning leaves contributes to air pollution, and plastic garbage bags are too expensive for some people to use. However, there are other alternatives. Leaves may be placed in garbage cans, paper bags, cardboard boxes or in the plastic bags that cleaners put around clothes. Cardboard boxes should be available from many businesses in town. An arrangement could be made with garbage collectors to leave the boxes as they do the garbage cans. Also, the leaves could be put into a compost pile (enclosed by chicken wire if necessary to keep the leaves from blowing) and then used later as a mulch for gardens and flower beds. Leaves used in this way make an excellent fertilizer.

Antioch cannot isolate itself from the rest of the world. Pollution is everybody's problem. It is only by giving up a few conveniences and a self-centered attitude, that we can begin to hope to preserve our environment for our children and future generations.

We hope that Trustees Haley, Cunningham and Walsh, and our Mayor, Mr. Wilton, will show some concern for our future and reconsider their action. We hope that this grave mistake will be rectified at the next Village Board Meeting.

Sincerely,  
Barb Bartosz  
Jane Wierschem

the Pass, Punt & Kick Competition was held on Sunday morning during Sunday School and Church Worship time.

It is inconceivable to us considering the problem of Watergate and sports scandals that people do not recognize the desperate need for ethical and spiritual training beginning at an early age.

It is very possible that when church people are alerted, they will buy only from those who support and honor Sunday religious activity. Anything you

can do as a promoter of good for our community will be appreciated.

### United Way Short Of Goal

Lake County United Way officials are concerned that their campaign has reached only 40 percent of its \$842,727 goal.

Chairman Harold Callahan said Monday that the campaign, which was kicked off more than a month ago and was scheduled to be completed Oct. 29, has raised less than half of its total

goal.

Callahan urged all division and section chairmen and workers to complete their calls and get the reports in to United Way Campaign headquarters at 331 N. Genessee, Waukegan.

Callahan said, "If you can't bring the reports in, call United Way at 662-3580 and we will pick them up."

## Do your children know God's love?

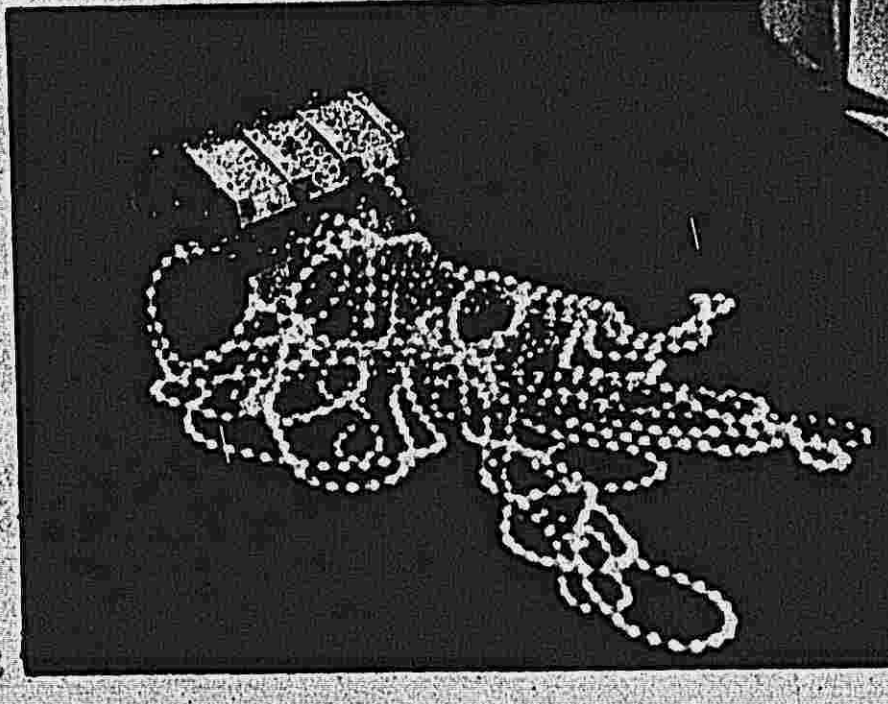

In a Christian Science Sunday School, children learn that God is Love and that He is an ever-present friend, always close to them. And they are given practical instruction from the Bible and the Christian Science textbook that they can use every day.

We'd love to see you and your children this Sunday.

Despite bad weather, 106 Lions Club members, working in shifts, raised money for the blind in excess of \$3,000.

## Safety Hazards Attacked By Postal Service

Antioch Postmaster Walter Barnas has called for a community-wide drive to eliminate dangers at rural intersections and other safety hazards in the area.

Speaking at a meeting of the Rotary Club, the postmaster said his appeal was made as part of a national safety drive now underway by the U.S. Postal Service.

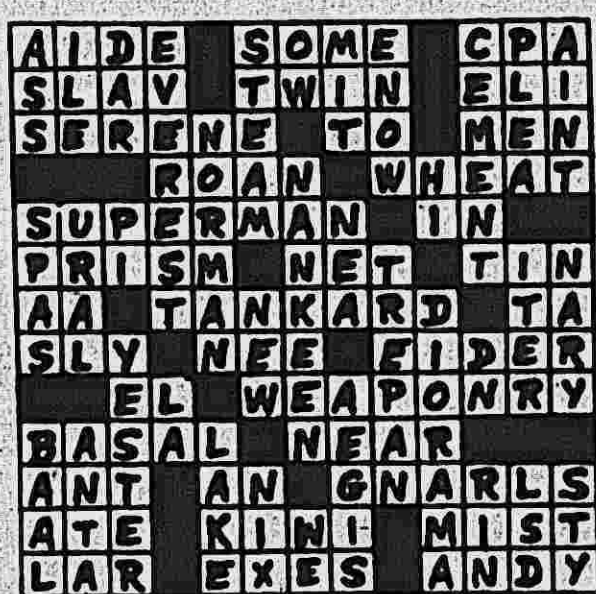

A common problem for rural carriers, as well as other motorists, the postmaster noted

are long-standing "blind corners" and other driving hazards which can be corrected through community efforts, such as removal of obstructions at intersections to create a clear view of the highways.

"Such a simple step as cutting down overgrown foliage at driveways and intersections can save lives and prevent painful injuries," he said. "This will benefit not just rural letter

## Upper Grade Students Build 'Colonial Lifestyle'

If you've driven by Antioch Upper Grade School lately, you may have wondered about the pile of used telephone poles lying out by the parking lot.

These poles, donated to the school by Commonwealth Edison, are actually the basic ingredients of the current eighth grade mini-school project. Under the guidance of eighth grade teachers John Estep, Bob Lipinski, Mary Bruski and Susan Compagna, the students are building a 15 x 15 foot log cabin.

Assisting them in materials and resources are Environmental Education administrators Mike Teeley and Mary Kern.

Each morning for two weeks, the group will be going outside to cut and notch the logs and to erect what promises to be a permanent structure on the southeast lawn of the school.

Based on the theme "Building a Colonial Lifestyle," the project attempts to educate by involvement in some of the experiences and hardships of life 200 years ago. Cooperation, resourcefulness and blisters are considered as important as a knowledge of dates and battles.

In addition to building the

Certain North American Indian tribes passed their children through the limbs of a dogwood tree to protect them from childhood diseases.

cabin, students are trying their hands at colonial crafts and cookery. Building a replica of Plymouth, dipping candles, constructing a pillory, and preparing a full course colonial meal are only a few of the related activities being worked on.

Although the theme of this mini-school comes from the area of social studies, skills in language arts, math and sciences are also directly involved. Such activities as

constructing reports and interviews, measuring the diameter of logs and finding local herbs and plants are some of the required skills being tested.

Because of its unique quality, this experiment has not been tried before in many places. It is the belief of the teachers involved that it can bring fresh insight and understanding into a lifestyle very different from our own while teaching basic skills.

If callouses and good questions are any indication, they may be right.

LIONS OFFER VISION TESTS SUNDAY -- Checking out special screening equipment are (from left) Dave Bushing, president of the Lions Club; Dr. Al Bucar and Earl Stringer, "Save Our Sight" program chairman.

# Lions Sponsor Vision, Blood Pressure Tests

A Vision Conservation Institute, "S.O.S." (Save Your Sight), will be offered to the

public free of charge on Sunday at the Antioch High School Learning Center, 10 a.m. till 3

p.m.

This service event is sponsored by Antioch Lions Club.

According to Lion Earl Stringer, Club "S.O.S." chairman, the free screening program is offered to persons of all ages, from 3 years and up, and will include checks for near and far acuity, muscle balance or eye teaming, hyperopia, stereopsis, near accommodation, color perception, field of vision and glaucoma eye pressure.

"Persons having unsatisfactory checks in the screening will be referred to a professional of their choice for follow-up examination and diagnosis," Stringer said. He added that the screening will be supervised by professionals and members of Illinois Optometric Association, who will also administer the glaucoma eye pressure test.

"The importance of these tests can be realized when you consider that more than 29 percent of school age children and 41 percent of adults have undetected functional vision problems which impair their ability to see," said Fred

Marvin, executive director of the Vision Conservation Institute.

DAVE BUSHING, president of the Antioch Lions Club, said he hopes everyone in the area will take advantage of this service -- not only having their eyes tested, but getting a test for high blood pressure at the same time.

The tests are painless and take only a few minutes to complete, he said.

High blood pressure tests are being given here for the first time this year. They will be administered by the Lake County Heart Association in conjunction with the Antioch Rescue Squad.

Approximately 30 million Americans suffer from high blood pressure or hypertension, which are one and the same thing.

Of these 30 million Americans only half are aware that they have it. And of this half, only 50 percent are receiving treatment for it.

THE ARBOR SUPPER CLUB'S owner, John Astro, is pictured in the cocktail lounge with his daughter, Cheryl. The Arbor is celebrating its Grand Opening this month with dinner specials

on Tuesdays, Wednesdays and Friday, and piano bar entertainment on Friday and Saturday nights.

## Kitchen Almanac

Here is a delightful breakfast recipe that youngsters will find fun to make — and eat. Peek-A-Boo Eggs are an easy project for little hands, but a big hand should be nearby, in case help is needed.

### Peek-A-Boo Eggs (6 servings)

6 slices enriched white bread  
Butter  
6 Eggs  
Salt  
Pepper

Cut hole in middle of each bread slice with 2-inch biscuit cutter. Fry each slice in 1 tablespoon butter until golden brown. Turn, melt more butter if desired for even color.

Slip egg into center of hole. Salt and pepper to taste. Fry about 3 minutes, turn and fry 2 minutes or until egg is cooked on other side.

OVERLOOKING BLUFF LAKE, the Arbor Supper Club has a charming dining room and elegant atmosphere. During this Grand Opening month, John Astro, the new owner, welcomes the people of Antioch to come out and see his beautiful supper club.

## Pet Show Was Damp But Fun

It "rained" cats, dogs and other animals, so to speak, during Sunday's Grass Lake School Pet Parade, sponsored by the P.T.O.

There were 91 pets registered and despite intermittent showers 56 proud owners paraded their pets before the judges.

Winners included Allen Ziegler in the dog category, Julie

Ray in the cat division and John Steitz' goat in the miscellaneous category.

Richard Sorenson's rabbit earned him a second place prize.

Dale Stelskal and Barb Schmehl had winners in the turtle race. Frog jumping winners were Kris Zeien, David Hipps and Laurie Cheterbok.

and I understand that Rusty Long is just a 16 year old lad. It's hard to believe that he could carry that difficult part so well ... but he does it.

Rita Shields is super again as "The Kid" and Mary Chris LaKome once again sings beautifully as "The Girl." Director Bob Bundy played the part of the Black and Frank DiMarco was the Bully. You'll enjoy them.

The urchins are good, too. Their leader is choreographer Lyn Zaehler and the group includes Tracy Teltz, Rosline Schaske, Mark Biel, Terry Bryn and Jeff Smouse.

Some of the songs are among your favorites; "A Wonderful Day Like Today," "Who Can I Turn To?" and "My Way." But there are a lot of lesser-known songs that help make this show excellent. It also is jam-packed with witty, subtle lines. Fortunately, the speaking and singing voices are very clear, and

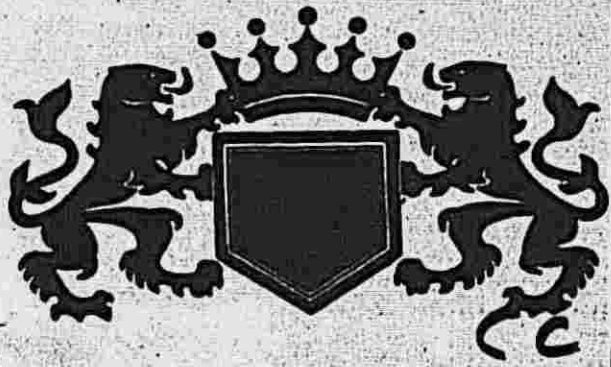

there's no reason why you should miss a word.

Pay close attention right at the beginning and you'll really become involved in their "game." And the way the play develops and ends will make you feel good all over when you leave the theatre.

## State Bank Sponsors Pumpkin Poster Contest

The State Bank of Antioch is inviting youngsters to put their imaginations to work and create their own special Pumpkin Poster for the bank's Pumpkin Poster Decorating contest.

Color, paint and decorate a pumpkin poster with your own materials, such as beads, sequins, glitter, fabrics, seeds, etc. to create your own really different pumpkin and win a prize.

The State Bank is conducting

its contest for pre-school children through eighth grade. The grand prize of a bike for a girl and a boy will be awarded in addition to the first prize \$10 savings account and five second prize \$5 savings accounts, plus five consolation prizes of \$2 savings accounts in each of the grade level groups, for a total of 57 prizes.

Entries will be judged in the following categories: pre-school and kindergarten; first and second grades; third and fourth

grades; fifth and sixth grades; seventh and eighth grades.

All contest entries must be submitted to the State Bank of Antioch on or before Fri., Oct. 25. Winning pumpkin posters will be displayed in the bank lobby Oct. 31, Nov. 1-2.

Judges in the contest will be Jane Craner and Sue Towns, art instructors at Antioch Community High School. Pumpkin Contest posters are available in the main lobby of the State Bank.

## Guitar Instruction

A program of guitar instruction has been initiated for Grass Lake School students. The classes are held at the school on Wednesdays and persons interested should contact the school office.

The Grass Lake Board of Education met recently and decided to suspend the use of trampoline apparatus in the physical education program.

"The use of this equipment was suspended in order to update needed safety equipment," the report said.

The board also is looking into the present health, drug and alcohol instruction programs at the school.

carriers, but all driving residents of our area."

Barnas said the new national drive by the U.S. Postal Service has a goal of reducing injuries and fatalities among about 700,000 postal personnel including rural carriers who sustain more than their share of serious injuries.

The Postal Service has one of the largest vehicle operations in the world, and more than 40,000 facilities conducting postal business.

He urged the Rotary Club to spearhead a community-wide safety effort directed at dangerous intersections and other hazardous conditions.

In line with the campaign, he said rural carriers would be stepping up their efforts to get residents to adhere to proper standards for mailboxes.

## ★ Your Police and the Community

By SUE SEDIVEC  
Community Relations Officer

In continuing my Police Community Relations, I have to report that on Monday and Tuesday nights, 4th, 5th and 6th grade boys and girls are enjoying the sport of volleyball.

On Mondays at the Upper Grade School, about 64 children are expending large amounts of energy in an effort to learn the game. I must say that these children have an over-abundance of energy and are constantly on the move.

At Emmons there are about 83 children screaming, jumping and excited about this newly-learned sport.

Thank goodness I am not alone. Thanks to my supportive helpers, Mrs. Shirley Gutowski, Miss Kathy Sterbenz, Miss Kathy Urzedowski (P.E. instructor at Emmons), Miss Mozelle Roth, Mrs. Joan Larson, Mrs. Sharon Lichter and Mrs. Gail Volling. With a little cotton and a lot of patience we seem to all have a very good time.

This program from 7 to 9 p.m. in the evening will run for one month. After that, we may attempt another sport - maybe basketball.

Parents are cordially invited to visit these recreational events. By the way, parents, we begin the evening festivities with exercises. So for those who need shapening up, or who just want to get rid of some steam, come on down.

And a special thanks to Mr.

John Kakacek and the Emmons school board, Mr. William Herbst, Mr. Henry Meyer and Mr. Dave Booth, for their cooperation and assistance in allowing us to use the school facilities.

ALSO, A REQUEST - if you have any books for young people, ages 8 to 18, or any art materials that are of no use to you - for example, brushes, paints, paper, etc. - please call me (395-2160) or leave them at the police department.

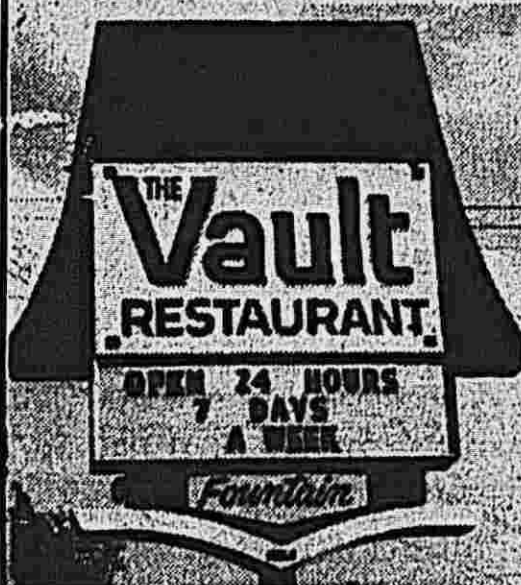

I would like to utilize these articles at a later date in the program for the young people.

## PUBLICITY DEADLINE IS MONDAY NOON

Because so many clubs and organizations are submitting publicity releases on Monday afternoons and Tuesday mornings, the Antioch News is having trouble squeezing all of the information into the newspaper. So once again we must strictly enforce our deadline of Monday noon for publicity releases. And, for best results, it would help if you get them to us on the previous Friday. Thanks for your cooperation.

Elegant Atmosphere. We serve only the finest.

# Sequoits Want Victory At Grayslake Saturday

No sense looking back, so the Antioch Sequoits are looking ahead ...

...Ahead to Saturday's football game at Grayslake.

Kickoff time is 2 p.m. and Coach Roy Nelson's Sequoits

will be shooting for their second win of the season.

Looking back is no fun. The Sequoits suffered their fifth straight loss last Saturday at Wauconda. The score was 48-6 as Wauconda's powerhouse just ran right over Antioch in the

second half.

THE GAME BEGAN pleasantly enough. Dave Boegarts immediately recovered a Wauconda fumble and Mike Jones scored for Antioch on an 11-yard sprint around end.

Holy cow! Antioch, the underdog, was ahead 6-0.

Wauconda bounced back, as expected, scoring two touchdowns and taking a 12-6 halftime lead.

But that wasn't too bad. Antioch was still in the game against this tough team.

How did the Sequoits do it. Frank Pleviak, a 5-10, 170 pound

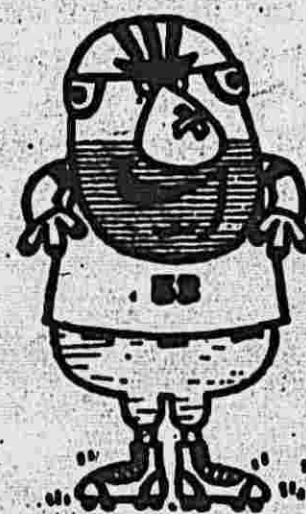

scoreboard during threat after threat.

BUT THE DAM burst in the second half as Wauconda ball-carriers ripped through Antioch's line on their way to a staggering total of 404 yards rushing.

Antioch also fumbled the ball away twice in the second half and had two passes intercepted.

The victory gave Wauconda a 5-1 record in the conference and kept them tied for second place with Grant.

Warren holds the lead with a 6-0 record after trouncing Round Lake 60-6 last Saturday.

senior defensive back, intercepted three Wauconda passes. And Terry Lear swiped another one, holding Wauconda off the

## Mike Anderson Is Winner of Football Contest

Mike Anderson of Rt. 1, Box 377, Antioch, had last week's Wauconda-Antioch football game figured pretty well.

Mike said the final score would be 42 to 6, in favor of Wauconda. It turned out to be 48 to 6 and Mike won the \$15 first prize in the Antioch News' weekly football contest.

Second prize, a \$10 gift certificate at B-J Rush Studio, goes to Mike Perrone of 338 Harden St., who predicted that Wauconda would win by 32 to 6.

It was the second week in a row that Mike Perrone placed second in the contest. The previous week he won a \$10 gift

certificate at the Four Squires.

Third place last week went to Tom Huebner, who predicted that Wauconda would win by 30 to 6. He wins a \$5 gift certificate at Wilton's Electric Shop.

Another contest appears in today's Antioch News. Send in your entry. You might be lucky ... or even skillful.

## Vikings Win At Round Lake

The Antioch Heavyweights scored a Viking football victory over Round Lake, 27-13, with Gene Lehn scoring three touchdowns.

Scott Johnson also scored for Antioch as the local team's ground game was devastating.

Coaches praised the line play of Duane Buzta, Chris Oddsen, Mike Mahoney and Mike O'Hara for opening huge holes.

The Antioch Lightweights also triumphed with Jack Fields, Mike Fish and Mike Gibson as standouts in Antioch's tight defense.

### FOOTBALL

The Antioch freshman B team defeated the Waukegan B squad 8-6 on Mon., Oct. 7 at home.

It was a comeback victory for the young Sequoits, who failed to score until late in the third period.

The lone touchdown was scored by Mike Mihovilovich, who scooped up a loose ball and rambled 35 yards for the score. Larry Hanson scored the 2 point conversion behind the blocking of Kurt Walraff to provide the margin of victory.

Glen Blanchette was also cited for his work on offense and on defense.

## Antioch Frosh Crush Foe, 48-0

Antioch's freshman football team won its third straight game last Friday, demolishing the Bulldogs of Wauconda 48-0.

It was the third consecutive shutout and fourth of the season for the young Sequoits, who now have a 4-2 record.

Kenn Rosenbrock and Tom Huebner scored two touchdowns each for Antioch and Tim Huebner scored on a 65-yard pass play from Tom Dixon. Keith Radke also scored on a pass from Dixon, good for 13 yards, and Alan Moore broke loose for a 64-yard touchdown run.

Two scores were the result of long kick returns by Tom Huebner, who covered 53 and 40 yards on the plays.

The Frosh piled up 294 yards on offense despite eight penalties. Moore, Huebner and Rosenbrock combined for 172 yards rushing and "Elmo" Dixon completed three of seven passes for 93 yards.

Coach Norm Hahn said his offensive line was superb, giving the quarterbacks plenty of time to throw.

The defense once again was outstanding, the coach said. In six games it has given up only three touchdowns.

"These guys like to hit and they have a nose for the ball," Hahn said. They have set a goal for themselves; they want to finish the season with eight

shutouts in nine games and I think they can do it."

Their next game is Friday at home against the Grayslake Rams.

Antioch's Sophomore B team defeated Waukegan's B team 14-8 on our home field Mon.,

Oct. 7. Mike Brady plunged for the first touchdown and Rich Bailey carried for the 2 point conversion.

Keith Evanson ran a point back for the winning touchdown with less than a minute left for the winning touchdown.

# LINDENHURST NEWS

By SANDI CHRISTMAN

Monday night's village board meeting had a record number of more than 90 residents in attendance.

Most of the residents were there to show concern over the controversial barbed wire fence running around the property adjacent to Red Rock Lake located within the village. The board received and unanimously approved a new ordinance concerning barbed wire and electrical fences within the village.

The new ordinance requires all existing fences of this nature within the village to be removed and dismantled within 10 days

of notice. It will be approximately 25 days before a formal letter of violation can be written to the offenders.

The residents were asked for a show of hands of those in favor of the acquisition of land by the Forest Preserve, those not in favor of the forest preserve and those who were neutral until most, if not all, aspects of a forest preserve could be researched and presented for a vote. Most residents seemed to favor the later proposal.

A committee made up of volunteering residents and possibly one or several board members will be commissioned by Mayor Flannigan to re-

search the land acquisition matter and present a detailed report to the village for further action.

The Village Chief of Police made a presentation of two citations to Sgt. Arthur Prieder for solving an armed robbery at the Clark Station and one other burglary. Officer Robert Learmont also received a citation.

The Board announced that Thurs., Oct. 31 from 3 to 8 will be Halloween trick or treat hours in the village.

Friday is the last day for registering for the adult hayride to be held on Saturday at the Wagon Wheel Stables. Registration is \$8 per couple and will cover the hayride, hot dogs, marshmallows and beer.

## Golfers Lose By 1 Shot

On Monday, Oct. 7, Antioch's golf squad lost a heartbreaker to conference rival Grant 176-177. The match was played at Spring Valley C.C. Medalist for the match was Grant's Mike Davis, carding a 40. Antioch was paced by Pat Houghton's 42, Dan Donica's 44, Keith Rezin's 45 and John Eder's 46.

Donica and Eder equaled their season bests against Grant, and Rezin shot one

stroke from his personal best. Antioch's team has played consistent golf in recent days; however, the varsity's first win is still eluding them. Their record is now 0-10 on the season and 0-7 in conference play.

Antioch's J.V.s lost by 203-209. Pacing the J.V.s for Antioch were Jim Christiansen's 48 and Steve Hartokolis' 53. Paul Schroeder and Del Gorski followed with 54s.

# CHANNEL LAKE CHATTER

The children were aided with the preparations for the event by Al and Pat Keunhold and Jo Donna Masters.

The guests, which included the senior Gussarson's of Wis., and Ruth's father, sister and brother, enjoyed a delicious buffet supper and were entertained by the accordion played by an old friend of the family, Dick Garrett. Dick arrived the morning of the party, from Calif.

Ralph and Ruth were delighted with their party and the very lovely gifts they received.

If you see buttons bursting from the chest of young Bob Lemke the reason is in the storageshed of his parents home. Bob brought home over a 1000 pound moose last week from his hunting trip in Canada. I heard you have to see the Moose to believe that anything could be that large.

carriers the most are those practiced by the U.S. government. For example:

1-Foreign airlines spend less for new planes because they are able to finance through the Export-Import Bank at much lower interest levels. In 17 years the Export-Import Bank has loaned \$4.2 billion to nearly 100 airlines for the purchase of 1,009 commercial jets. Congress is now considering legislation the U.S. carriers hope will extend to them Export-Import financing and equalize this part of their competitive position.

2-U.S. Postal Service pays higher rates to foreign carriers for the transportation of airmail. The present rate paid to U.S. carriers is 31 cents per ton-mile, but the U.S. government pays as much as \$1.73 per

ton-mile to foreign airlines to transport U.S. mail.

3-There is no requirement that U.S.-financed travel be accomplished on other U.S. carriers, as is the case in most countries whose airlines we compete with.

4-Foreign governments spend a considerable amount of money to entice U.S. citizens to fly on foreign airlines, but U.S. airlines do not have equal promotional assistance from the U.S. travel services.

## Along the way with ANNIE MAE

Looks like we may get some Indian Summer weather yet ... it's so pretty going up north and seeing all the reds and yellows in the forest. Caught a glimpse of the Horicon Game Preserve, too - quite a sight to see all those geese fly up at once out of the corn when you don't even realize they're there.

Received word from Bob and Anita Gedville, owners of the State Line Motel, that they are enjoying their first vacation in four years. They're taking in all the sights of the Ozark mountains. A lovely time of year to visit there.

Some catching up for last week to do - We're glad to hear Jim Koppa and Patti Wilton are home and on the mend after their appendectomys.

After 6 grandsons, Mr. and Mrs. Russell Lasco Sr., welcomed their first granddaughter, Dawn Marie. She weighed 8 lbs. 3 oz. and has long dark hair and big blue eyes. George and Linda Boutwell of Great Lakes are the proud parents.

Another set of proud grandparents are Bill and Eleanor Kufalk. Their new granddaughter Kirstin Marie, arrived on Oct. 10 at Lake Forest Hospital. The little lady tipped the scales at 7 lbs. 10 oz. and is the daughter of Steven and Kathleen Young of Waukegan. Maternal grandparents are Francis and Miriam Young of Woodruff, Wis.

Another new arrival - Rebecca Ann Robinson was born on Mon., Oct. 7 at Victory Memorial Hospital to Mr. and Mrs. Thomas Robinson of Sequoit Terrace. The little lady weighed in at 6 lbs. 10 oz. and was 19 in. long. Proud grandma is Mrs. Anna Kaser of Antioch.

Hear tell we have some top shooters in Antioch. Jack Fields was presented a trophy for Top Gun and Joe Patrosky received one for Most Improved Shooter in the Bristol Conservation Gun Club Shoot.

Paul and Mary Lou Eckert were surprised by a mob during a "raw" turkey dinner for the Eckert family last week. Everyone must have had a good time as it was very early in the a.m. when it ended. Lots of luck in your new home.

Even though we're a little

## SATURDAY'S THE DAY

What better way to celebrate "Sweetest Day" than with a bake sale? That is exactly what the Antioch Welcome Wagon Newcomers Club offers this Saturday. Goody cakes, cooking and homemade bread will be available at the State Bank of Antioch from 9 a.m. to 2 p.m.

The Newcomers Club is fortunate in having so many superb bakers in its membership. Be sure to come, buy and give your sweet tooth a treat.

late, all the friends of John and Noreen Clarke wished them a happy 25th wedding anniversary.

Harry and Hilda Stern observed their 45th wedding anniversary Oct. 6 and Frieda and Henry Rentnew celebrated 47 years of wedded bliss on Oct. 13.

Mary and Bill Barr celebrated their 25th wedding anniversary with a 6 p.m. Mass at St. Peter's Church and a surprise party at the Colony House given by their children for 60 friends and relatives. All but one of the original bridal party attended. Some guests from this area were: Mrs. and Mrs. Hallet, Dr. and Mrs. Boarini, Mrs. Stanley and Mr. and Mrs. Robert Palm. Congratulations everybody!

The Ray Trayas, Jr. family celebrated daughter Maureen's birthday on Oct. 8, daughter Tammie Kay's on the 11th and Ray and Nancy celebrated their 15th wedding anniversary on the 10th. Whew, lots to do in October for you guys!

Marty and Dave Booth spent the weekend at Knox College enjoying all the Homecoming festivities of Dave's alma mater.

Celebrating birthdays this week are Connie Ryan on the 17th, Dale Frasch on the 18th, Rick Johnson on the 19th, Betty Smouse and Zdenka Kuba on the 20th, Rose Shaffer and Lena Dalgaard on the 21st and Tom Proctor, Mary Risany and Jennifer King on the 22nd. Happy birthday everybody!

A special anniversary wish to George and Erna Tronzer, Betty and Ken Smouse and Millie and Harold Gaston, who all celebrate on the 16th. Congrats - we hope this will be a very happy day.

An extra special anniversary wish goes to Steve and Loretta Smith who will be celebrating 30 beautiful years on the 21st. Congrats!!

Don't forget to save your Campbell Soup labels for the grade school.

Also, remember the Lions Club "Save Your Sight" testing is this Sunday at the High School.

Funeral services were held at 10:30 a.m. Tues. at the Strang Funeral Home in Antioch. Rev. Robert Yountz of the Lake Villa Community Methodist church officiated. Interment was Angola Cemetery in Lake Villa.

### IN MEMORIAM

In loving memory of our beloved son and brother Melvin (Butch) Wohlfeil who passed away 20 years ago, October 14, 1954.

The years may wipe out many things, but this they wipe out never.

The memory of these happy days when we were all together.

Days of sadness still come o'er us,

Tears of silence often flow.

For memory keeps you ever near us, though you died so long ago.

You and John are together now.

But Dear God, we miss you so.

Sadly missed by:

## ABC'S OF Travel Domestic and International

By BARB CORBIN

European countries and cruise ships use electricity different from ours. Higher voltages and different cycles. Most American equipment - shavers, hair dryers, electric curlers, travel irons, etc. will burn out if plugged into that kind of current.

Adapter plugs to fit European sockets can be purchased, but

versatility before you leave.

The voltage on all vessels is either 230 volts A.C. or 220 volts D.C., so be sure and check with your room steward or the ship's electrical staff if in doubt.

Electrical appliances other than razors should not be used either in conjunction with wall sockets or light fittings. Moreover, if electric razors intended for use on A.C. only are used on a D.C. supply; they will be badly damaged. Do not recharge electric razors on board the vessel or leave a razor plugged in when not in use. Always unplug the cord.

Before taking all those electrical items we are so spoiled with, check your local travel agent who has done the booking for you and the electrical appliance question can be solved prior to departure. Happy traveling.

unless your equipment was made for a range of currents, it will still burn out if fed too high a voltage. Check yours for

## CHRISTIAN SCIENCE CHURCH

Jesus said in St. Matthew 5 in the Bible: "Be ye therefore perfect, even as your Father which is in heaven is perfect." This is read this Sunday in the

Lesson-Sermon entitled "PROBATION AFTER DEATH" at Christian Science church services.

Citations from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy read "The way is straight and narrow, which leads to the understanding that God is the only Life. It is a

warfare with the flesh, in which we must conquer sin, sickness and death, either here or hereafter—certainly before we can reach the goal of Spirit, or life in God."

Everyone is invited to attend services at the First Church of Christ Scientist, BEACON HILL Rt. 173 and Harden, Antioch, Illinois. They begin at 11 a.m.
